

FACES OF LODO

DEBORAH WILLIAMS: Orange Balls, Pez Heads & A Tale of Seduction

Clients and friends of Deborah Williams and Design and Image, be advised... you've been seduced! Seduced by the heady atmosphere at the 1900 Wazee Street studio. Magnetized by the loft's Pez heads, dangling orange balls and assorted animalia. Enchanted by the vivacity of Deborah and her talented staff. And, finally, seduced by LoDo itself, as Deb was ten years ago when she moved her design and marketing firm to our neighborhood.

"At Independence Plaza, clients wouldn't visit," Deb reminisced. "This studio is a client magnet! They get out of their cubicles and into a different mindset here. LoDo allows that to happen."

Deborah loves our community and has generously volunteered as a LoDo District board member, as past chair and current member of the Marketing Committee and much more.
