DAVE MOORE 2007 LIMELIGHT AWARD WINNER

Just as Coors Field is a distinguished anchor at the Northeast end of LoDo, Dave Moore is an equally important anchor in the civic life of our neighborhood.

In his position as Director of Coors Field Administration and Development, you may never get to see Dave on the pitcher's mound, but nonetheless, as Past President and current member of the Board of Directors of The LoDo District, Dave has been pitching the attributes of LoDo to the greater community for many years... and we are all better off for it.

Says Jim Theye, fellow board member and soon-to-be Past President of the LoDo District Board of Directors, "Dave is very "high-touch" and personal in the way he manages Coors Field and has represented the board during the past few years. Dave is so well respected and easy to talk with, that he has become a tremendous source of information and opinion for everyone from co-workers to City Council. He represents LoDo (and the Ballpark District too) as a moderate voice of wisdom, experience, and integrity."

DAVE MOORE IS ONE OF THE SEVERAL OUTSTANDING RECIPIENTS OF LODO DISTRICT'S 2007 LIMELIGHT AWARDS.
